Special Assessment Revenue Refunding Bonds, Series 2016A
Annual Arbitrage Report for the period September 14, 2024 to September 14, 2025

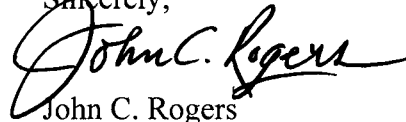

Dear Myrtle Creek Improvement District Board of Supervisors:

Please find attached the Annual Arbitrage Report for Myrtle Creek Improvement District (City of Orlando, Florida), Special Assessment Revenue Refunding Bonds, Series of 2016A (the "2016A Bonds") for the period September 14, 2024 to September 14, 2025.

As calculated in the Annual Arbitrage Report, **an arbitrage liability of \$1,538.32 was incurred** on the 2016A Bonds during the one-year period from September 14, 2024 to September 14, 2025; however, such liability was offset by prior arbitrage credits accumulated in prior years and an annual computation credit; therefore, as of September 14, 2025, **no arbitrage was due** and there is **no need to file** with the U.S. Treasury Department (I.R.S.).

Please note that **additional arbitrage reporting will be required** for the 2016A Bonds on September 14, 2026.

Myrtle Creek Improvement District
(City of Orlando, Florida)
Special Assessment Revenue Refunding Bonds, Series 2016A
Annual Arbitrage Report for the period September 14, 2024 to September 14, 2025

Dear Myrtle Creek Improvement District Board of Supervisors:

This opinion is being delivered to you pursuant to our engagement to calculate the annual arbitrage liability, if any, under section 148 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (the "Code") for \$19,810,000 Myrtle Creek Improvement District, City of Orlando, Florida (the "District"), Special Assessment Revenue Refunding Bonds, Series of 2016A (the "2016A Bonds") for the period September 14, 2024 to September 14, 2025 (the "Annual Arbitrage Period"). Our opinion is accompanied by an Annual Arbitrage Report (the "Annual Arbitrage Report").

The scope of our engagement was limited to preparing a computation of annual arbitrage liability, if any, for the 2016A Bonds, based upon the following information from the referenced sources:

Trust Fund statements for the 2016A Bonds for the period September 14, 2025 to September 14, 2025

Source: US Bank, Orlando, Florida

Closing Documents for the 2016A Bonds, including Official Statement, Federal Tax Certificate, C.P.A Verification Report and I.R.S. Form "8038-G"

Annual Arbitrage Report for 2016A Bonds, dated October 1, 2024, for the period September 14, 2023 to September 14, 2024 (the "Prior Arbitrage Report")

In accordance with the terms of our engagement, we did not audit the aforementioned information, and we express no opinion as to the completeness or the accuracy of such information for purposes of calculating the annual arbitrage liability amount, if any.

32 Whitemarsh Road, Ardmore, PA 19003 Tel. 610-764-7998 Email: jcrogers279@gmail.com

This Annual Arbitrage Report incorporates all the facts, assumptions, procedures, and conclusions of the Prior Arbitrage Report.

Our Understanding of the Financing

According to the Federal Tax Certificate, proceeds of the 2016A Bonds, together with other available funds, were used to (1) defease for retirement on October 18, 2016 and November 1, 2016 the District's Special Assessment Revenue Bonds, Series 2006A (the "2006A Bonds"), (2) fund the 2016A Reserve Fund, (3) pay costs associated with the issuance of the 2016A Bonds including a municipal bond insurance premium, and (4) acquire and construct certain stormwater improvements.

Factors Entering Our Computations

- a) Our examination of the Trust Funds established with respect to the 2016A Bonds included the 2016A Acquisition and Construction Fund, the 2016A Interest Account, the 2016A Principal Account and the 2016A Reserve Fund.
- b) According to the Federal Tax Certificate, proceeds of the 2016A Bonds deposited to the 2016A Acquisition and Construction Fund could not be invested at a yield in excess of the yield on the 2016A Bonds for the period September 14, 2016 to September 14, 2019 (the "3-Year Period"), but were subject to arbitrage rebate.

According to the Code, proceeds remaining in the 2016A Acquisition and Construction Fund after the expiration of the 3-Year Period were restricted to the yield on the 2016A Bonds.

- c) As shown in the C.P.A. Verification Report, proceeds of the 2016A Bonds and other available funds deposited to escrow to refund the 2006A Bonds on October 18, 2016 and November 1, 2016 were not invested above the yield on the 2016A Bonds.
- d) The 2016A Interest Account and the 2016A Principal Account constituted a "bona fide debt service fund" as defined in the Code during the Annual Computation Period if (1) such fund were used primarily to achieve a proper matching of revenues and debt service payable on the 2016A Bonds, (2) monies deposited therein were spent within a thirteen-month period from the date of receipt thereof, and (3) such funds were exhausted in each Bond Year (as defined in paragraph "f" below), except for a reasonable carryover amount not to exceed the greater of one year's earnings in such funds or one-twelfth of annual debt service.

In accordance with the Code, a "bona fide debt service fund" is "unrestricted" as to yield, and not subject to arbitrage rebate.

- e) According to the Code, proceeds of the 2016A Bonds deposited to the Debt Service Reserve Fund could be invested at an unrestricted yield in perpetuity, but were subject to arbitrage rebate.
- f) “Bond Year” is defined, in accordance with the Code, as the one-year period beginning on September 14, 2024 and ending on September 14, 2025.
- g) According to the Federal Tax Certificate, none of the proceeds of the 2016A Bonds will be used as a substitute for other funds (i) which were otherwise to be used to refinance the costs of refunding the 2006A Bonds or pay the costs of the 2016A Bonds; (ii) which will not be so used and (iii) which have been or will be used, directly or indirectly, to acquire investment property producing a yield in excess of the yield on the 2016A Bonds.
- h) According to the Federal Tax Certificate, the District did not expect to enter into any “hedging transaction” in respect of the 2016A Bonds.
- i) All amounts withdrawn from the Trust Funds were assumed to be spent on the day they were withdrawn.
- j) Computations of yield are based on a 360-day year and semiannual compounding.
- k) No investment acquired (or sold) by the District was acquired (or sold) for an amount that was more (or less) than the fair market value of such investment during the Annual Computation Period.
- l) The calculation of arbitrage rebate liability for the Annual Computation Period is made as of September 14, 2024 (the “Annual Computation Date”).

Based upon the assumptions referred to in the preceding paragraphs and the related information referred to above, the computations presented in the accompanying Annual Arbitrage Report and are presented below:

1. The Sources and Uses of Funds Upon Issuance of the 2016A Bonds are shown on Page A-1.
2. The Yield on the 2016A Bonds is 3.08222200% (the “2016A Bond Yield”), as calculated on Pages B-1, B-2(A), B-2 (B) and B-3.

3. The District earned \$199.38 more on its investments of proceeds of the 2016A Bonds in the Acquisition and Construction Fund during the Annual Computation Period than it would have earned had such proceeds been invested at the 2016A Bond Yield, as shown on Page C-1 and therefore **incurred an arbitrage liability on the 2016A Bonds** during the Annual Computation Period; however, the \$199.38 arbitrage liability was offset by the \$8,532.60 arbitrage credit earned during the prior Annual Computation Period, as also shown on Page C-1.
4. The District earned \$1,338.94 more on its investments of proceeds of the 2016A Bonds in the Debt Service Reserve Fund during the Annual Computation Period than it would have earned had such proceeds been invested at the 2016A Bond Yield, as shown on Page C-1 and therefore **incurred an arbitrage liability on the 2016A Bonds** during the Annual Computation Period; however, the \$1,338.94 arbitrage liability was offset by the \$1,448.45 arbitrage credit earned during the prior Annual Computation Period, as also shown on Page C-1.
5. Our examination of the 2016A Interest Fund and the 2016A Principal Fund showed that such funds constituted a “bona fide debt service fund” in each Bond Year of the Annual Computation Period and therefore was not subject to arbitrage rebate during such period.

A. The Customer is an individual, business entity, association or governmental entity with the authority to enter into binding agreements for services on certain property which is located in central Florida and more specifically defined in **Schedule 1** attached hereto and incorporated herein by this reference (the “**Property**”).

B. The Customer desires to enter into this Agreement with OUC for the purpose of sharing with OUC and the **City of Orlando** (the “**City**”) certain costs associated with lighting service for portions of the Property that have been or will be dedicated public roadways (the “**Dedicated Roadways**”) and to be provided by OUC on behalf of the City by means of non-standard, upgraded lighting facilities.

C. The parties desire to enter into this Agreement so that costs to OUC associated with providing lighting services within Dedicated Roadways by means of upgraded lighting facilities can be allocated to the Customer over the term of the Agreement.

NOW THEREFORE, in consideration of the sums to be paid by the Customer to OUC, the mutual covenants and benefits contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by both the Customer and OUC, the Customer and OUC agree as follows:

1. **RECITALS.**

The above Recitals are true and correct, and form a material part of this Agreement.

2. OUC DUTIES.

2.1. OUC shall provide lighting for Dedicated Roadways within the Property as more specifically indicated in this Agreement. In order to provide such service, OUC shall do the following:

2.1.1. To the extent not specified in this Agreement as Customer's responsibility, OUC shall provide and install standard lighting facilities, or, where agreed by Customer herein to share the increased procurement and operating costs, lighting facilities which are of a higher quality and better appearance than the type of public lighting facilities approved for funding by the City and installed by OUC (the "**Upgraded Lighting Facilities**"), all in accordance with this Agreement, the Initial Lighting Plan (as defined below in Subsection 2.3) and OUC specifications. 2.2. The procurement and installation by OUC of the Lighting Facilities, the ongoing Maintenance Service and the Electrical Service are necessary to allow OUC to provide the lighting required by Customer within the Dedicated Roadways and shall all be provided by OUC as elements of a single service to Customer and shall be collectively referred to herein as the "**Lighting Service**".

2.3. The Customer and OUC hereby acknowledge that the Property is part of an overall residential subdivision known as **Performance Drive** which will be platted and developed in more than one phase (each referenced individually as a "**Phase**" and collectively as the "**Phases**"). The Lighting Facilities to be initially provided and installed by OUC under this Agreement are to allow OUC to provide Lighting Service for Dedicated Roadways within the Phase covered by this Agreement (the "**Current Phase**"). Lighting Facilities for the Current Phase shall be located and installed as more particularly depicted in the lighting construction plans set forth in **Schedule 2** attached hereto and incorporated herein by this reference (the "**Lighting Plan**").

2.4 A condition precedent to OUC's obligation to provide the Lighting Service under this Agreement with respect to the Current Phase is that all of the following shall have occurred (i) Customer must complete installation of Customer Lighting Facilities in compliance with the applicable Lighting Plan and OUC's required specification concerning the integrity and location of the Customer Lighting Facilities; and (ii) Customer must convey to OUC, or arrange for the conveyance by the party with authority to do so, any easements or right-of-way (which are not otherwise included in the dedicated public roadway property) necessary to allow OUC to install, operate and maintain the Lighting Facilities (the "**Service Conditions**").

3. CUSTOMER DUTIES.

3.1. The Customer shall, at its sole cost and expense, provide and install the conduits and junction boxes which may be required for the provision of the Lighting Service (collectively, the “**Customer Lighting Facilities**”), in such locations as more particularly set forth in the Lighting Plan for the Current Phase. For purposes of the ongoing duties and rights of the parties during the Term of this Agreement, after the initial installation of Customer Lighting Facilities by Customer for the Current Phase and acceptance by OUC, the Customer Lighting Facilities shall be treated as if included within the definition of Lighting Facilities for the Current Phase.

3.2. The Customer shall grant OUC, or shall cause the granting of, all easements or provide for right-of-way dedications (not otherwise included in the Dedicated Roadway property) which are necessary to allow OUC to provide the Lighting Service. The Customer shall ensure that OUC has unobstructed access to the Lighting Facilities that are not located within Dedicated Roadways, including, without limitation, trimming trees that may either obstruct the light output from the Lighting Facilities or that may obstruct or otherwise prevent OUC from providing the Lighting Service. OUC will use reasonable efforts to notify Customer of any obstructions that are preventing maintenance or operation of the Lighting Facilities, but OUC shall not have the right nor the obligation to trim any trees or otherwise remove any objects located outside of the Dedicated Roadways and which are obstructing the light output from the Lighting Facilities or obstructing or otherwise preventing OUC from providing the Lighting Service as contemplated in this Agreement. The Customer and OUC hereby acknowledge that the Lighting Facilities which shall be installed by OUC in accordance with the Lighting Plan and shall be located either (a) in Dedicated Roadways, which have been dedicated to the public pursuant to a plat, or (b) to the extent necessary, in easements granted in favor of OUC lying in areas adjacent to the roadways and streets which are granted pursuant to a separate instrument for the Current Phase.

3.3. The specifications for the Upgraded Lighting Facilities are more particularly described on **Schedule 2** attached hereto and incorporated herein by this reference. The Customer shall pay to OUC the Upgrade Costs associated with the Current Phase in the amount set forth in **Schedule 3** in accordance with Section 4 below. The parties agree that the Upgrade Costs as set forth in **Schedule 3** is comprised of the following costs associated with providing Lighting Service by means of Upgraded Lighting Facilities, during the Term:

3.3.1. The amount by which the cost of the procurement and installation by OUC of the Upgraded Lighting Facilities within the Current Phase exceeds the cost of the procurement and installation by OUC of the customary style and grade of Lighting Facilities which would have otherwise been installed by OUC at the sole cost and expense of the City, absent the Customer’s upgrade request (the “**Facilities Upgrade Cost**”).

3.3.2. The amount by which the cost of the Maintenance Service for the Upgraded Lighting Facilities within the Current Phase exceeds the cost of the Maintenance Service for the customary Lighting Facilities which would have otherwise been installed by OUC, absent the Customer’s upgrade request (the “**Maintenance Upgrade Cost**”).

3.3.3. The amount by which the cost of the Electrical Service for the Upgraded Lighting Facilities within the Current Phase exceeds the cost of the Electrical Service for the customary style and grade of Lighting Facilities which would have otherwise been installed by OUC, absent the Customer’s upgrade request (the “**Electrical Upgrade Cost**”).

3.4. During the Term of this Agreement, the Customer shall promptly notify OUC of any Lighting Facilities in need of service by calling (407) 737-4222.

3.5. The Facility Upgrade Cost, Maintenance Upgrade Cost and Electrical Upgrade Cost

(together, referred to in total as the “Upgrade Costs”).

4. TERMS OF PAYMENT.

4.1. Customer shall make payment of the Upgrade Costs in accordance with the **Schedule 3** to this Agreement. If the Customer fails to pay any installment(s) of the Upgrade Costs by the due date of such payment or otherwise makes payment in a manner inconsistent with the OUC’s Administrative Policy Manual, as amended from time to time (the “Manual”), OUC shall provide the Customer with written notice of such failure, whereupon the Customer shall have ten (10) days within which to remedy such failure by making the required payment. In the event the Customer fails to make any payment within said ten-day period, OUC may suspend the provision of Electrical Service to the Current Phase until such time as the Upgrade Costs have been paid. If Customer’s failure to pay continues for a period of ninety (90) days after the expiration of the ten-day grace period, then OUC may resort to any available remedy at law or equity, including the partial termination of this Agreement.

4.2. OUC shall be entitled to make an annual adjustment to the Maintenance Upgrade Cost of up to three (3%) percent per year. Fuel and energy charges shall be based on the then applicable OUC tariff rates filed with the Florida Public Service Commission, as may be amended from time to time. Any such adjustments made by OUC as contemplated under this subparagraph 4.2 shall be made by written notice to Customer setting forth the new rates and associated revisions to the applicable Upgrade Costs (the “Increase Notice”). The Increase Notice must be received by the Customer thirty (30) days prior to the effective date of said annual adjustment.

4.3. The parties agree that the Customer shall be responsible for the payment of any sales, use, excise and other taxes (to the extent that OUC would otherwise be liable for same) that may apply to, or be imposed upon, the Facilities Upgrade Cost, the Maintenance Upgrade Cost or the Electrical Upgrade Cost or all of them. Furthermore, the parties agree that Facilities Upgrade Cost to be paid by the Customer to OUC pursuant to the terms of this Agreement is exclusive of all sales, use, excise, gross receipts or similar taxes or impositions, now due or as may be hereinafter assessed. Customer recognizes and agrees that it is ultimately responsible for the payment of all sales, use, excise, gross receipts and other taxes that may apply to, or be imposed upon, the transaction that is the subject of this Agreement, if any, irrespective of when such taxes may be charged or assessed against OUC. Any non-collection or non-assessment of such taxes by OUC contemporaneously with the occurrence of the transaction shall not waive, release or Diminish Customer’s ultimate responsibility for the payment thereof, irrespective of whether such taxes are later charged or assessed by applicable taxing authority(ies). Notwithstanding anything herein to the contrary, the Customer shall be entitled to any tax exemptions to which it may be entitled to from time to time as provided under the Florida law.

5. MUTUAL AGREEMENTS.

5.1. OUC, while exercising reasonable diligence at all times to furnish the Lighting Service hereunder, does not guarantee continuous Lighting Service and will not be liable for damages for any interruption, deficiency or failure of said Lighting Service, and reserves the right to reasonably interrupt said Lighting Service for necessary repairs to the Lighting Facilities, and to OUC lines and equipment. Notwithstanding any other provision of this Agreement, in no event shall OUC have any liability to Customer under this Agreement, whether based in contract, in tort (including negligence and strict liability) or otherwise, for: (a) any special, incidental, indirect, exemplary or consequential damages; (b) damages with respect to costs of capital, costs of replacement power, loss of profits or revenues, or loss of use of plant or equipment, irrespective

of whether such damages may be categorized as direct, special, consequential, incidental, indirect, exemplary or otherwise.

5.2. This Agreement may only be amended in writing, and such amendment must be executed with the same degree of formality as this Agreement.

5.3. OUC shall, at the request of the Customer, relocate the Lighting Facilities if provided sufficient rights-of-way or easements to do so. The Customer shall be responsible for payment of all reasonable costs and expenses associated with any relocation of the Lighting Facilities requested by the Customer.

5.4. OUC may at any time substitute bulbs in any luminaire/lamp installed hereunder, each such substitute bulb to be the same color and to have at least equal illuminating capacity and energy efficiency as the bulb replaced thereby.

5.5. OUC shall be responsible to repair or replace and assumes all risk of loss for any damage to any Lighting Facilities; provided, however, that notwithstanding the foregoing, the Customer hereby assumes all responsibility and shall indemnify OUC for the costs necessary to repair or replace any Lighting Facilities (i) that have been damaged due to the willful misconduct or negligence of an employee, agent, licensee or contractor of the Customer, and (ii) damaged for any reason by the Customer's employees, agents, licensees or contractors during the time period when active construction by Customer is ongoing. Upon completion of such construction activities by the Customer, risk of loss shall shift back to OUC except as set out in 5.5(i) above. In the event Customer is responsible for any required repair or replacement as described in the preceding sentence for which Customer has failed to cause such repair and replacement within fifteen (15) days after receipt of written notice of such damage from OUC, then OUC shall have the right to cause such repair and/or replacement whereupon Customer shall reimburse OUC for the actual, reasonable expenses incurred thereby within thirty (30) days of receipt of an invoice therefor. Title to the Lighting Facilities, shall remain with OUC at all times. Customer shall not possess or have any direction or control over the physical operation of the Lighting Equipment and the possession of the Lighting Equipment and the direction and control of the physical operation of Lighting Equipment shall be vested exclusively with OUC; however, OUC shall not, unless required by applicable laws, regulations or ordinances, permit third parties to install or affix, any telecommunications-related devices, antenna or related equipment on or to the Lighting Facilities for the first ten (10) years of the initial Term as to the Current Phase, unless used for, and limited to, the internal communications of OUC associated with OUC's operations or that of the City of Orlando. Notwithstanding anything herein to the contrary, OUC shall be entitled to any sovereign immunity defenses to which it may be entitled, and OUC does not in any way expand or waive limitations of liability afforded to OUC by virtue of its sovereign immunity.

5.6. Customer's obligations under this Agreement may not be assigned to a third party except with the written consent of OUC. No such permitted assignment shall relieve the Customer of its obligations hereunder until such obligations have been assumed by written agreement reasonably acceptable to OUC by any such permitted assignee and (if required by OUC) appropriate security for the payment obligations of the Customer under this Agreement has been provided by such entity.

5.7. This Agreement shall be governed and construed under the internal laws of the State of Florida. This Agreement supersedes all previous agreements or representations, either written, oral or otherwise between the Customer and OUC with respect to the Lighting Service, and constitutes the entire agreement between the parties relative to the provision by OUC of the Lighting Service. This Agreement does not create any rights or provide any remedies to third

parties or create any additional duty, obligation or undertakings by OUC to third parties.

5.8. The Electrical Service provided by OUC to the Customer in accordance herewith shall be subject to the procedures and policies described in the Manual. The Manual is on file with OUC. Copies of the Manual may be obtained by the Customer upon written request to OUC. Such policies and procedures shall be applied with respect to Electrical Service to the Property by OUC with the same interpretation, force and effect as applied to other customers of OUC from time to time subject to the Manual.

5.9. The parties hereby agree that OUC shall retain title to the Lighting Facilities during the Term and after this Agreement terminates. Upon any default by the Customer hereunder, other than as provided in Section 4.1 above, which shall remain uncured sixty (60) days after receipt by the Customer of OUC's written notice to the Customer of the same, OUC shall have the right to remove the Lighting Facilities in the Current Phase so long as such Lighting Facilities are simultaneously replaced with the City's standard lighting facilities (within Dedicated Roadways). In the event OUC elects to pursue its remedies as described in the preceding sentence, OUC shall be entitled to take possession of any or all items of the Lighting Facilities in the Current Phase and the Customer shall be responsible for the cost of removing such Lighting Facilities, with such work to be done by OUC and billed to the Customer; provided, further, that to the extent other services are being provided by OUC to Customer and are billed along with Lighting Services on a combined service bill, then the payment shortfall may cause such other services to be terminated or suspended as well in accordance with OUC's Administrative Policy Manual.

5.10. The Customer shall keep the Lighting Facilities free and clear of all levies, liens, and encumbrances imposed by or through the Customer. The Customer shall not lease, sublease, mortgage, or otherwise encumber, remove, or suffer to be removed any of the Lighting Facilities and shall not, without OUC's permission, permit any party other than OUC to operate or maintain the Lighting Facilities.

5.11. This Agreement shall inure to the benefit of, and be binding upon the successors and permitted assigns of the Customer and OUC.

5.12. The "**Effective Date**" of this Agreement shall be the date on which the last of Customer and OUC have executed this Agreement. This Agreement shall have an initial term of twenty (20) years (the "**Initial Term**"). The Term for the Current Phase shall begin on the date which is the earlier of (a) the date on which Customer elects to have OUC energize earlier Lighting Equipment installed prior to completion of installation of the final Lighting Facilities for the Current Phase, or (b) the date on which the final Lighting Equipment for the Current Phase is energized (the "**Commencement Date**"). The Term for the Current Phase shall end twenty (20) years after the Commencement Date. At Customer's election, upon written notice to OUC prior to the expiration of the Initial Term, may be renewed up to two (2) times for a period not to exceed five (5) years for each renewal period ("Subsequent Terms"). For purposes hereof, the Initial Term and each Subsequent Term, if any, shall be referred herein collectively as the "**Term**". During any Subsequent Term, Customer shall only be required to pay for the Maintenance Upgrade Cost for the Lighting Facilities. OUC agrees that after the Initial Term and any renewal period exercised by Customer, Customer may let the then current term expire in which case OUC may install standard street lighting and Customer shall not be required to pay for the cost of the Electrical Service (including fuel and energy charges) associated with the Lighting Facilities remaining within Dedicated Roadways at the end of the Initial Term or expiration of the Subsequent Term, whichever is applicable. If Customer chooses not to extend the use of the Upgraded Lighting Facilities, the Customer shall be responsible for the cost of removing the Upgraded Lighting Facilities, with such work to be done by OUC and billed to the Customer.

Prior to the installation of a full complement of Lighting Equipment for the Current Phase, the Customer may request in writing to OUC that those Lighting Facilities then installed be energized for operation as completed by OUC rather than waiting for the full complement of Lighting Equipment to be energized. In such case, if OUC agrees that operating those Lighting Facilities does not create a safety issue or impede installation of the remaining Lighting Facilities, then OUC will energize Lighting Facilities as they are completed. OUC shall begin invoicing for Lighting Services as provided under this Agreement based on the Commencement Date. Such billing shall be based on an adjusted Upgrade Cost for each billing period, with such adjusted Upgrade Cost calculated based the proportion of Lighting Facilities in service during that billing period to the total number of Lighting Facilities on which the Upgrade Cost has been calculated by OUC for that Phase (“**Proportional Upgrade Cost**”).

5.13. The Customer shall have the right, from time to time as the Customer shall deem appropriate, to hang banners, signs, flags and holiday decorations (collectively the “**Banners**”) from banner arms to be attached by the Customer to the Lighting Facilities; provided, however, that same shall comply in all respects with applicable laws and regulations. Said banner arms shall be of the type and size consistent with the wind loading capabilities of the Lighting Facilities and shall be pre-approved by OUC (the “**Banner Arms**”). The Customer shall be responsible for acquiring, installing and maintaining all the Banner Arms. The Customer shall be responsible to repair or replace (and assumes all risk of loss) for any damage to any Banner Arms.

Notwithstanding anything herein to the contrary, in the event the Lighting Facilities are damaged by the Banners or the Banner Arms the Customer shall be liable to OUC for said damage. OUC shall not be liable for any permits, fees or liabilities (of whatever kind or nature) related to the Banner Arms or the Banners placed thereon, including but not limited to the content of Banners. Notwithstanding anything herein to the contrary, the parties agree that OUC shall not be liable for any claim, demand, liability, judgment, action or right of action, of whatever kind or nature, either in law or equity, arising from or by reason of any type of liability including but not limited to contractual liability, bodily injury or personal injuries, death, or occurrence due to placement of the Banners and/or the Banner Arms on the Lighting Facilities. Customer shall to the maximum extent permitted by law defend, indemnify, and hold harmless OUC, its officers, directors, and employees from and against all claims, damages, losses, and expenses, (including but not limited to fees and charges of attorneys or other professionals and court and arbitration or other dispute resolution costs) arising out of or resulting from disease or death of third parties (including OUC employees and agents), or damage to property caused by placement of Banners and the Banner Arms by the Customer on the Lighting Facilities.

District Infrastructure Assessment Report

Myrtle Creek Improvement District

September 30, 2025

Introduction

In accordance with the Myrtle Creek Improvement District Goals, Objectives and Performance Measures and Standards, the District Engineer conducts an annual inspection of the District's infrastructure and related systems. The purpose of this inspection is to evaluate the overall condition, functionality, and maintenance needs of the district's assets to ensure they continue to meet operational, safety, and community standards.

This report serves as the formal record of the Fiscal Year 2025 inspection, providing documentation and findings consistent with the District's established performance standards. The following sections outline the observations resulting from the current inspection cycle.

Multi-Purpose Trails

Multi-Purpose trails (pedestrian paths wider than standard 5-foot-wide concrete sidewalks) within the public road rights-of-way are owned and maintained by the District. During our inspection, we observed cracked and raveling asphalt pavement, cracked concrete pavement, indications of potential base failure, protruding valve cover, tree roots damaging asphalt and concrete pavement, and various other conditions possibly warranting further evaluation and/or action by the District, subject to the direction of the Board of Supervisors. See Appendix A for photographs of specific observations and a key map showing the location of each photograph.

Hardscape, Landscape, and Irrigation Facilities

Hardscape, landscape, and irrigation facilities within the public road rights-of-way are owned and maintained by the District. These facilities are inspected throughout the year by the District's landscape and irrigation supervisors and are not included in this annual inspection.

Stormwater Management Facility

The Wellspring Drive Pond SMA-WD, located at northwest corner of the Lake Nona Boulevard/Wellspring Drive intersection, is owned and maintained by the District.

Conclusion

The annual inspection of the Myrtle Creek Improvement District's infrastructure and related systems has been completed in accordance with District requirements. This inspection fulfills the objective of ensuring that at least one comprehensive review of District assets is conducted and documented each fiscal year.

The findings presented in this report provide a current assessment of the condition of the District's infrastructure. The assessment is intended to assist the District in prioritizing resources, addressing issues proactively, and sustaining long-term operational reliability.

Through the completion of this inspection and report, the District continues to uphold its commitment to maintaining safe, efficient, and functional infrastructure in service of the community.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects over 1,000 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Risk management services including on-site loss control, property schedule verification and contract reviews
- Complimentary Property Appraisals
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.
